- A free online repository for kids ages 0 to 17 years
- A safe place to show passion & display pictures of STAR WARS™ costumes

Both Dark & Light side characters

“…Cadets of The Galactic Academy, the very best and brightest from across the galaxy, are taught the skills to build forces to be held in awe by any opponent. Whether they are drilled by Sith Lords from the Imperial Corps or trained in the ways of the FORCE by a Jedi Master, every cadet will receive all the training they require to join our elite ranks.

Whatever their specialty, only the most capable, iron-willed and dedicated will be chosen to progress through the ranks of The Galactic Academy. But be forewarned: the life of a cadet is hard, grueling work. Only the best can ever hope to survive the process, but those lucky few will earn their Academy Medals and become the envy of the galaxy. Are YOU up to the challenge?!?!”

A message from Chewie to all Cadets:

Hello Younglings!

It is awesome that you have an interest in a larger world of wonderful characters, both good guys and bad guys and you and your families at a convention some day. Star Wars is a part of my extended family and I love it when I get to meet people like you.

So, welcome into the wonderful world of the Galactic Academy. My friends who also enjoy dressing up. I'm looking forward to seeing all of the costumes so get your picture made together as well.

May The Force Be With You,

HOW LONG DOES IT TAKE TO GET MY CADET NUMBER & CERTIFICATE?
Welcome Packet

Contact at newrecruits@galactic-academy.net

All Academy Staff are all unpaid volunteers. Due to the Academy’s limited number of hard working volunteers & the building enthusiasm of the new movies, applications processed and replies to inquiries MAY take longer. Patience is requested as all Academy applications will be approved in the order received, usually no longer than 24 hours.

All Cadets will receive a 4 digit Cadet Identification Number (CIN). All numbers are unique & are the Cadet’s number for life. No Cadet SHALL EVER have the same CIN.

Cadets may NOT choose their CIN except in specific outstanding circumstances (Make-A-Wish applicants); numbers are assigned in the order their application appears in the Administration queue.

Cadets will be issued a costume Group designation via 3 to 4 letter prefix. (Examples: CTK – stormtrooper; CBH – bounty hunter; CJED – Jedi)

Cadets are organized into Campus & School (if applicable) by geographic Earth location. If no Location was selected, then the Cadet’s location will default to “No Campus: Inter-Galactic Transit”

Cadets are sorted into 1 of 6 Companies based upon age group if birthday date was included on application. Cadet’s ages & birthdays will never be shown on their Cadet Profile.

Welcome Certificates are emailed to the original registering address.

So what costumes are allowed?

Store-bought and/or home-made costumes of a character recognizable from the STAR WARS™ Universe are permitted.

While adult STAR WARS™ clubs have specific standards, we have no requirements of quality.

No Cadet will ever be denied admission on basis of costume completeness.

Subsequent costume submissions will keep the same Identification Number but are given different prefixes.
